Dear Sir or Madam,

Please find below two minor amendments to our 7/1-12/31/2001 FEC report:

**#1 - See attachment.**

It has come to our attention that we failed to correctly report aggregate activity for those who contributed to our committee through a transfer from our affiliate, the Warner/Nickles 2001 Committee. After contacting the Senatorial Committee and our software provider, we have a better understanding of how we were to have reported the transfer of 12/18/2001. Enclosed are amendment pages for the transfer and those contributors reflecting new aggregate totals.

We apologize for our previous inability to understand the instructions concerning how to report this transaction. We have taken steps to prevent this oversight from happening again.

**#2 - See attachment.**

A memo to you (not required, but included for your information only) that check #4399 from Karen Schecter for \$1,000 had been refunded 1/21/02 needs to be disregarded. The refund was mistakenly made although the applicable contribution was not in excess and Ms. Schecter has asked that we void the check.

**#3 (no attachment)**

Due to an in-kind contribution of \$559.60 made 6/29/2001 (which we were informed about February 2002), campaign cycle totals for both receipts and disbursements have changed. This is fully explained in our amendment for that period.

**#4 - See attachment.**

Enclosed are the four cover pages for this amendment. Please let us know if you require additional clarification or if you have any questions concerning this amendment.

Respectfully submitted,

  
Jerry Bowser, Treasurer
